Gonzaga University

Collegiate Wind Competition

2015

Participation in the final round of the DOE's biannual Wind Competition.

PATENTS

ORNL Contract No. DE-AC05-00OR22725

Bozman & Associates, LLC purchased the rights to commercial development of a homopolar generator designed by the Oak Ridge National Laboratory, which develops high DC output voltages at relatively low rotational speeds. This was done as part of the Department of Energy's biannual Collegiate Wind Competition. These rights lapsed in 2016.
